Know Which Plastics to Recycle

With the exception of polystyrene (Styrofoam), your plastic is recyclable if the answer to all three of these questions is **YES**:

1. Does it have a number (1-7) in the middle of the chasing arrow symbol?
2. Is it rigid or hard?
3. Is it a container?

Many supermarkets & retail stores accept plastic bags and film for recycling. Find drop-off locations at plasticfilmrecycling.org.
