

Middle School Monologues

Drama Program For 7th & 8th Grade

An Acorn Arts in Prevention Program

Join Be the Influence and professional facilitators from Acorn Productions for a 4-day workshop focused on theater skills and improvisation where students will develop individual monologues to perform. Participants will enjoy brainstorming and creative acting exercises that focus on personal experiences in building resiliency – a key concept in every young person's life.

Over the course of the first 4 sessions, students will each brainstorm, imagine, and write a complete a 2-4 minute monologue, and work with the teaching artists on performance techniques for presenting it. In the final session, students will perform their monologues for each other and potentially for a final larger audience.

This program is open to 7th & 8th graders from Windham and Raymond.

**Ages: 7th & 8th grade
Dates: August 10th - 13th
Location: Town Hall Gym
Time: 9:00am-11:00am
